LED MODULES

BRIGHTER SPACES
BETTER TOMORROW

COMPACT | EFFICIENT | VERSATILE

- High Brightness
- Low Power Consumption
- Weather Resistant
- Long Life

LENTICULAR - 1 LED

Compact size. Powerful performance.

LED Type	1 LED
Lens Type	Lenticular
Input Voltage	12V DC
Power Consumption	-0.72 W (approx.)
Luminous Flux	-70-90 lm (approx.)
Beam Angle	160
IP Rating	IP65
Dimensions (LxWxH)	-50 x 15 x 7 mm (approx)

LENTICULAR - 2 LED

More light. Wider coverage.

LED Type	2 LED
Lens Type	Lenticular
Input Voltage	12V DC
Power Consumption	-1,44 W (approx.)
Luminous Flux	-140-180 lm (approx.)
Beam Angle	160
IP Rating	IP65
Dimensions (LxWxH)	-72 x 15 x 7 mm (approx.)

LENTICULAR - 3 LED

Balanced brightness. Greater impact.

LED Type	3 LED
Lens Type	Lenticular
Input Voltage	12V DC
Power Consumption	-2.16 W (approx)
Luminous Flux	-200-270 lm (approx.)
Beam Angle	160°
IP Rating	IP6S
Dimensions (LxWxH)	-95 x 15 x 7 mm (approx.)

LENTICULAR - 4 LED

Maximum brightness. For larger spaces.

LED Type	4 LED
Lens Type	Lenticular
Input Voltage	12V DC
Power Consumption	-2.88 W (approx.)
Luminous Flux	-280-360 lm (approx.)
Beam Angle	160°
IP Rating	IP65
Dimensions (LxWxH)	~118 x 15 x 7 mm (approx.)

LENTICULAR - RGB

Vibrant Colours. Endless Possibilities.

LED Type	3 in 1 RGB
Lens Type	Lenticular
Input Voltage	12V DC
Power Consumption	-1.44 W (approx.)
Luminous Flux	-60-100 lm (approx.)
Beam Angle	160°
IP Rating	IP65
Dimensions (LxWxH)	-72 x 15 x 7 mm (approx.)

COLOUR TEMPERATURE OPTIONS

Choose the perfect ambience.

3000K	4000K	6000K	9000K	12000K
Warm White	Neutral White	Cool White	Daylight	Ultra Cool

Available in 5 different colour temperatures to suit pur specific lighting needs.

ADD WINGS

SINCE 2013

Our Vision

To be the ultimate catalyst for brand elevation, transforming everyday spaces into extraordinary visual experiences by seamlessly integrating cutting-edge advertising, precision signage, and brilliant illumination on a global scale.

Transforming spaces and elevating brands through an all-encompassing suite of advertising, architectural signage, and custom illumination built to last.

Our Mission

At ADD WINGS, our mission is to give your brand the wings to fly higher through complete, end-to-end visual solutions. We are dedicated to delivering high-impact advertising campaigns, durable architectural signage, and innovative illumination systems. By blending creative artistry with advanced technology, we ensure our clients capture attention, inspire engagement, and achieve lasting market presence.
